

The Art Of Music LLC

Presents

“Artful Beginnings”

Each session is a blend of music and visual art experiences that actively involve children of **all abilities** (children with special needs as well as children developing typically) ages 1-21.

Using visual arts, movement, and music, activities incorporate concepts such as: spatial and body awareness, fine and gross motor skills, language, sensory, social skills, community and acceptance, and the appreciation of the arts, etc. Each hour will be comprised of a FUN blend of process-oriented music and visual art experiences. Your child **will** come away singing with some beautiful artwork keepsakes! Supplies provided.

“Artful Beginnings” is the first Session of 2017 and in our new Arts

Studio. Each week we will work on several take home projects in a variety of media. During this session, we will be creating a progressive sculpture, a “Perky Peacock”, a “Funky Feather”, “Musical Kwikie Dots”, “Crazy Cat” art piece, and a “Jaunty Giraffe”, just to name a few. During music, we will sometimes integrate music with our art making and also experience different musical styles through fine and gross motor movement, finger plays, rhythm instrument play, parachute play, and other musical activities.

Please note, the 5:30pm Monday class for kids ages 8-21yrs. is strictly a Visual Arts activities class- with Music used as a backdrop.
