## “Christmas Fun 2018”

This special hour long class is a blend of music and visual art experiences that actively involve children of **all abilities** (children with special needs as well as children developing typically) ages 1-21.

Using visual arts, movement, and music, activities incorporate concepts such as: spatial and body awareness, fine and gross motor skills, language, sensory, social skills, community and acceptance, and the appreciation of the arts, etc. This hour long class will be comprised of a FUN blend of process-oriented music and visual art experiences. Your child **will** come away singing with beautiful artwork keepsakes for Christmas! Supplies provided.

“Christmas Fun 2018” (2-week session) is the last session for the year (our 6-week sessions will resume the 2<sup>nd</sup> week of January). During these hour-long classes, we will be creating a Christmas Tree of your child’s choice (a Traditional- on the left or a Vintage- on the right) and a Christmas ornament.

For those children participating in one of the time slots with both Art and Music, your child will also experience several Christmas themed musical activities that combine fine/gross motor movement, finger plays, rhythm instrument play, and other musical activities during the hour-long classes.
