“Kid’s Canvas Club”

“**Kid’s Canvas Club**” is a monthly event blending visual arts and music that actively involve kids of **all abilities** (kids with special needs as well as kids developing typically) ages 6-21yrs. Your child may join us every month or 1 time, as every month is something different.

It’s just an art group among friends!

Using visual arts and music, activities incorporate concepts such as: spatial and body awareness, fine motor skills, language, sensory, social skills, community and acceptance, and the appreciation of the arts, etc. Each hour is comprised of a FUN blend of process-oriented visual art experiences with music of different genres in the background. Your child **will** come away humming with a beautiful piece of artwork! Supplies provided.

Each month during “Kid’s Canvas Club” we will create a different art piece using a variety of media. This month we will be painting “Found Art Frankenstein” (see a sample picture above).
